

BCCO Training Session for Contractors

The session is free and the topic will be “How to successfully apply for permits and request and pass inspections. This will be an excellent opportunity to ask all those questions that will help you be successful on your projects. Duration will be approximately 1 1/2 hours and will be presented by the Orange County Public Schools, Building Code Compliance Office and the Safety, Fire and Health Compliance Department.

Please visit the BCCO Website at buildingcodecompliance.ocps.net to view session schedules on our events calendar and to download the registration form. This training will also satisfy the requirement to obtain mandatory training as reflected in your contract with OCPS.

This training will take place at 6501 Magic Way, Orlando, FL 32809, Building 200, conference room 214/215.

If you need further information regarding this very informative training, please contact the Building Code Compliance Office at 407-317-3794 or at buildingcode@ocps.net.
