

# WHAT TO DO WHEN ON A BBB CALL

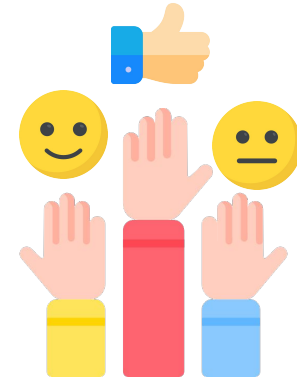

Pretend you're sitting in class at school!

Make sure you're signed into one place.

Everyone is muted, so click on your name to use emojis or type in the Public Chat.

Pay attention and follow the conversation! Take part in the conversation and ask questions.

Since you don't leave class when you want, please don't leave the BBB until it's done.

While in a BBB, be kind and respectful to your classmates and hear what they have to say!
