## Forthcoming Milestones

- Building Dry-in by January 2019
- Permanent Power by March 2019
- Road Extension Complete by April 2019 (Lennar Homes)
- Playfields Complete by April 2019
- HVAC Chiller Start-Up by May 2019
- Substantial Completion Date June 26, 2019

# Sustainability

## Site

- Native/low water plants – reduce water consumption
- Low Impact Design (LID) stormwater design

## Building

- 10% more energy efficient than ASHRAE 90.1 standard
- Lighting system and power outlets designed to turn lights and power off in unoccupied spaces (energy reduction)
- High Efficiency Chillers (10% energy reduction)
- Light colored roof to reduce heat gain and improves energy performance
- Energy Star rated equipment
- Water saving toilets, faucets, and fixtures
- All classrooms have daylighting
- Over 75% of ALL spaces have daylighting
- Thermal efficient windows/glazing

# School Naming Process

Presenter:

- Lauren Roth, Sr. Manager, Facilities Communications
- Amy Klaber, Principal
