Community Engagement: Cultural Continuum

Priorities from the Community:

- Strong preference for College vs. High School feel
- Strong preference for “Sustainable” and “High-Tech”
- Expressed balance for collaboration and self-directed learning
- Architectural Style important
- Campus accessibility to the community
- Safety & Security

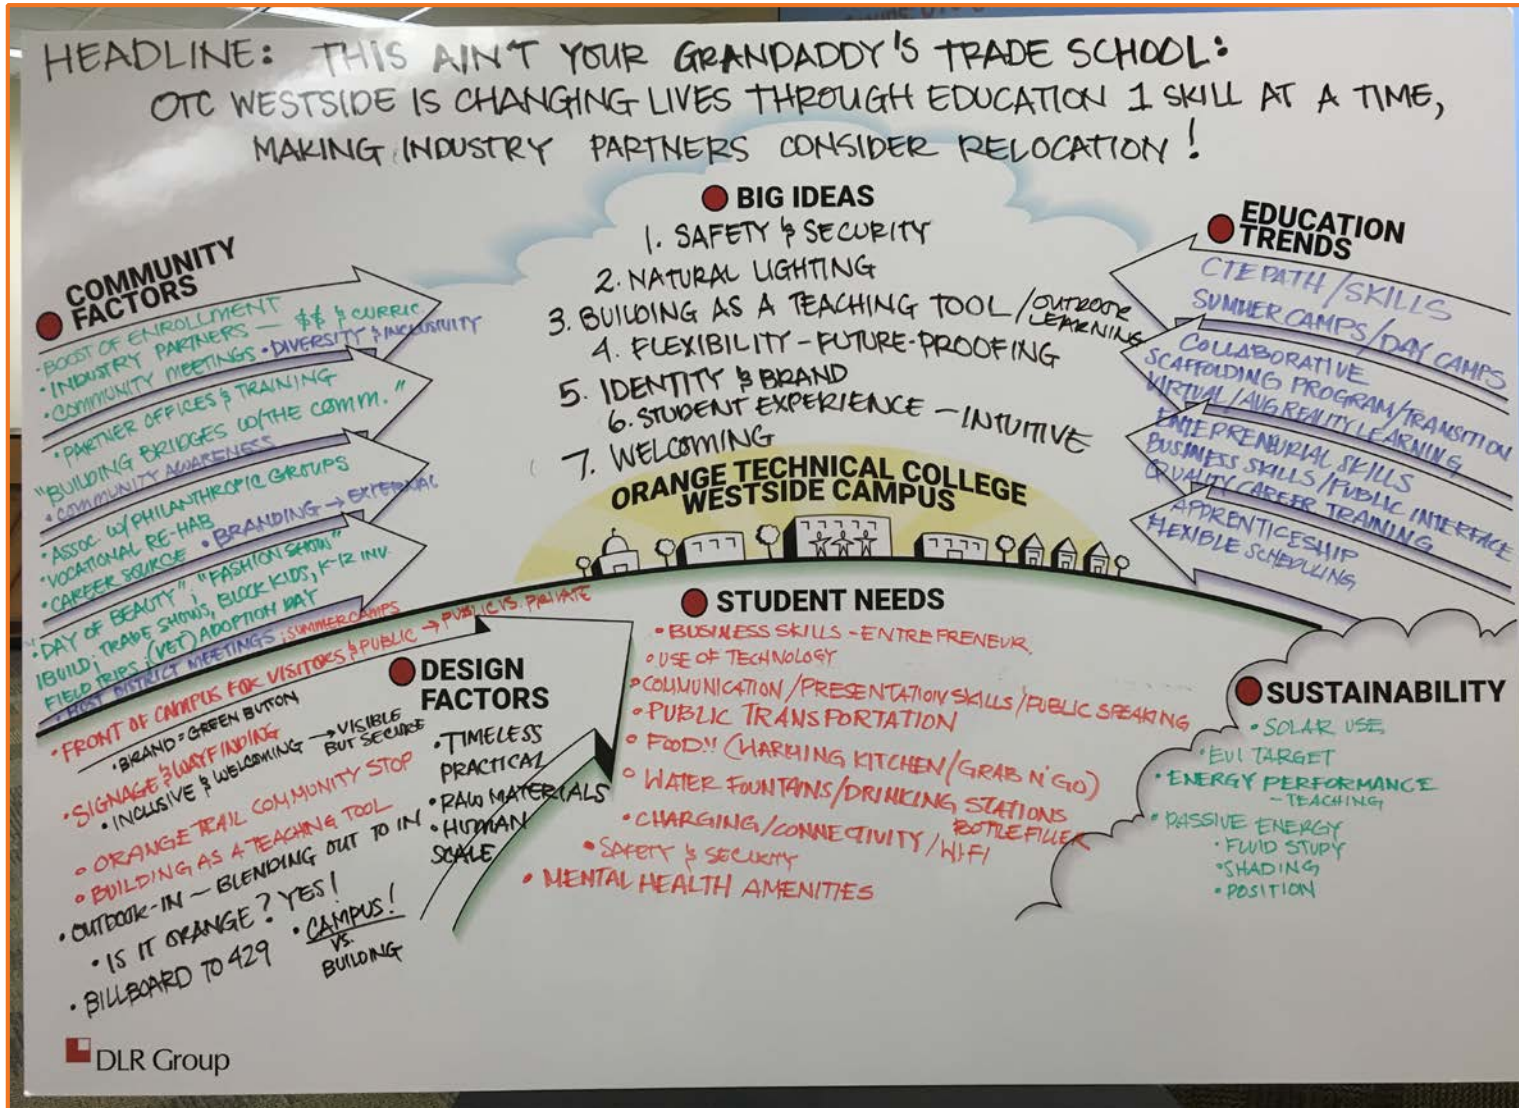

Community Engagement: Futurecasting

IN OUR NEW OTC WESTSIDE CAMPUS, STUDENTS WILL FEEL:

- We lead the way in technical training for Central Florida!
- Safe, Inspired, Welcoming
- Serves local community
- Empowered to reach goals and earn more money
- Current Westside campus, former Drew HS, will be remembered
- Proud to be part of a larger college system
- Like they are on a college campus that will help them achieve their goals
- Meets needs of community and industry

Vision Board

Big Ideas:

1. Safety & Security
2. Natural Lighting
3. Building as a Teaching Tool/ Outdoor Learning
4. Flexibility – Future-proofing
5. Identity & Brand
6. Student Experience – Intuitive
7. Welcoming
