My Advice? Do Your Home Work!

With each issue of our online scholarship blasts members receive links and websites that give information specifically about scholarship opportunities; however this portion is for you to do your homework. Even if you find that you have missed a few deadlines, most of these scholarships are annual and ongoing so go to the website anyway and do the research for the next go round. There are literally hundreds of scholarships and even more websites to gather information. Do your research! It will take some time but you may be surprised at what you find.
