7. Select the **app** you wish to access from the **My Apps** screen.

Note:

- The **My Backpack** app will show the student class schedule and beneath it the app for each class/course.
- Some apps like i-Ready will prompt you to open another mobile app that you may also have to download. If another app is launched by Classlink it will pass the student credentials and log them in.
- **Switching Between Open Apps**
 - After opening a few applications, a counter will appear next to the 4 squares. This represents the number of open apps. To switch between open apps, click on that icon.
