

How to use Beanstack

Beanstack is a web and mobile application used to track independent reading time and help build a culture of reading in school and at home.

Beanstack Navigation

Beanstack can be accessed through Launchpad.

In Beanstack, students can log the book they are reading and the minutes read.

1. Click on the **Beanstack icon** in Launchpad.
2. Select your **Reader Profile**, which should be your name.
3. Choose your **Challenge**.
