Keyboarding Lessons & Practice

Description: Each activity below is a **self-paced** Nearpod keyboarding practice lesson that focuses on speed and accuracy.

Directions: Either **click on one of the images below** to start a Nearpod keyboarding practice lesson.

Note: All Nearpod lessons expire on **Friday, May 30, 2020**. Links are accessible on desktop, laptop or mobile devices. There is a **FREE** Nearpod mobile app for **iOS** and **Android** devices but it is *not* required. Use mobile devices in landscape orientation so the keyboard is fully visible and placed on a flat surface.
