Sneak Peeks set for 11 new, replacement OCPS schools

July 23, 2018 – OCPS is throwing open the doors to the public before the first day of school for Sneak Peeks at 11 schools. These schools are either new to the district or are replacements or renovations of existing schools. The Sneak Peek events are a “thank you” to taxpayers, who have made the size and scope of the current OCPS building program possible through Orange County’s half-penny sales tax. Tours will be available at each school during their Sneak Peek.

The 11 schools will add two new K-8s to the district and replace nine elementary campuses countywide. Sally Ride Elementary merges Durrance and Cypress Park elementaries and will be home to the district’s elementary aviation and aerospace magnet program.
